Guidelines and Recommendations for nominated club driver (Mick Leonard) and other approved drivers.

1. Ensure Driver Registration form is completed and approved annually
2. Use of log book is required
3. Bus must be returned clean and fuel tank full
4. Primary bus usage is for members (and their guests) to be able to travel to/from club, home and other Fairhaven/Aireys Inlet destinations associated with Fairhaven SLSC activities.
5. Any travel which is **not** related to Fairhaven SLSC activities, (where Fairhaven SLSC activities include travel to/from club or part of a Club Activity or function, including Weddings/social functions at Club) should be considered Rental and referred to Mick Leonard on 0417517008 who will seek approval from the Club Treasurer. The donation associated with this bus usage will be determined by the Club Treasurer on behalf of the Fairhaven SLSC Committee.
6. In season, the bus goes offline shortly after the close of the Club/Sunset Bar each evening.
